Franklin County Commissioners' Statement on Veterans Day, 2015

All Franklin County offices are closed today, Wednesday, November 11, in observance of Veterans Day

The Board of County Commissioners honors the service and sacrifices of the brave women and men from Franklin County and around the country who have always answered the call to serve our nation in the military in times of both war and peace. This year marks the 70th anniversary of the end of World War II, and we are particularly mindful of the more than 16 million Americans who served in Europe and the Pacific in that global defense of liberty, and the fact that their ranks grow thinner every year.

More than 100,000 veterans reside in Central Ohio. We thank them for their service and dedication, and wish all Franklin County residents a safe and happy Veterans Day.
