COMMISSIONERS' STATEMENT ON MEMORIAL DAY

Americans everywhere are fortunate to live under a banner of protection that our armed forces provide, and Franklin County residents will never forget the sacrifices of the many who have died in service to our country, and that of their families. There is a long and proud military tradition in Central Ohio; we honor and value that service, and hold close the memories of those who have given their lives that our nation might live.

The Franklin County Commissioners wish everyone a safe and happy Memorial Day and offer a reminder that all County offices are closed, today, Monday, May 26, 2014 in observance of the holiday.
