FRANKLIN COUNTY COMMISSIONERS' STATEMENT ON MARRIAGE EQUALITY

Today's U.S. Supreme Court decision in favor of Marriage Equality is a victory for love. The Franklin County Commissioners celebrate with all Central Ohio residents this affirmation that all of us are equal under the law. We congratulate our many friends and relatives who, for the first time, will be able to enjoy the same right to marriage as their neighbors regardless of whom they happen to love. The fight for marriage equality has been long, but rewarding. We will continue to press for equal rights for all Franklin County residents in the workplace and wherever they may still be treated as second-class citizens.
