## **FRANKLIN COUNTY COMMISSIONERS' STATEMENT ON VETERANS DAY**

Franklin County residents have a long and proud tradition of military service. The Board of Commissioners honors and values that tradition and our many residents who have served around the world. From the War for Independence to the War Between the States, and from Bastogne to Baghdad, there have always been Americans willing to make the ultimate sacrifice to protect our nation and that for which it stands around the world. We thank the men and women of Franklin County who have served our country, and their families, and we wish everyone a safe and happy Veterans Day.
