Franklin County Commissioners' Statement on Supreme Court of the United States' Ruling DOMA Unconstitutional

The Franklin County Commissioners applaud the Supreme Court of the United States' decision that the federal Defense of Marriage Act is unconstitutional. This is an historic step in the right direction, but there is still more to be done for marriage equality in Ohio.

Today's ruling of the United States Supreme Court is historic in supporting equal rights. We look forward to a day when every state will acknowledge that all of America's sons and daughters shall have equality under the United States Constitution and in each state's Constitution throughout our nation.
