BOIL ALERT NOTICE FOR THE VILLAGE OF LOCKBOURNE

The Franklin County Department of Sanitary Engineering has issued a boil alert for the Village of Lockbourne for Friday, November 18, 2011. This boil alert will remain in effect for 24 hours. Another advisory will be provided when the alert has been lifted.

Residents should not use any water from the public supply unless it has been boiled.

The U.S. Environmental Protection Agency recommends that all water be brought to a rolling boil for one minute and then cooled prior to consuming.
