Isabella Minadeo, Commissioners, 614/525-3462

COMMISSIONERS' STATEMENT ON LABOR DAY

On this Labor Day, The Franklin County commissioners pay tribute to the dedication and hard work of the American workforce and the men and women of the labor movement. Today, we honor their resilience, skill, and accomplishments, and continue to strive for fair wages, safe working conditions, and equal opportunities for all.

All county offices are closed today in observance of the holiday.
