Isabella Minadeo, Commissioners, 614/525-3462

## **COMMISSIONERS' STATEMENT ON VETERANS DAY**

The commissioners extend their heartfelt gratitude to the over 20 million living veterans across our country, including the thousands who proudly call our community home. On behalf of Franklin County residents, we recognize and honor the unwavering service and sacrifice of veterans, as well as the resilience shown by their families and friends. Through their dedication, veterans have not only preserved and cultivated our country's highest principles but have made America a beacon of freedom, independence, and liberty worldwide.

All county offices are closed today in observance of the Veterans Day holiday.
