All BOC Employees:

With the end of the statewide mask mandate a change in our policy in county facilities and for BOC employees is necessary.

Masks will be required for staff and visitors who have not yet been vaccinated against COVID-19. Attached to this announcement is a flyer that will be posted in county facilities.

We will continue to practice social distancing when possible and we will be a mask friendly workplace. Even if you are fully vaccinated you are welcome to wear a mask if you like.
