COMMISSIONERS' STATEMENT ON FLAG DAY

On Flag Day, we pay tribute to the most enduring symbol of our nation, which has stood for liberty and strength for 237 years. The broad stripes and bright stars of our star spangled banner are among the most widely recognized symbols in the world; fabric and stitching standing for Democracy and hope. We continue to strive to live up to the ideals that our banner represents, and salute the flag of the United States of America and the millions who have served beneath it.
